

# Mirka Modular Trolley

Start building your optimal workflow

The **Mirka Modular Trolley** is designed to simplify and optimise the bodyshop workflow, depending of your line of work. It brings all the necessary tools and supplies within your reach for clear and ergonomic accessibility, keeping everything well organized and ready for a working day from the get go. The Modular Trolley forms a particularly good backbone for applying Mirka solutions and processes in collision repair, finishing, polishing or more.

## Abrasive storage trays

For vertical placement of full packs. Angled holders improve position for access. Magnetic attachment makes fitting and repositioning easy.

## Large tool drawer

Keep your tools safe and secure in this tool drawer.

## Personal drawer

Smaller drawer for personal items. Allows quick access.

## Waste bag and cable holder

Waste bag holder for easy and direct waste disposal. Behind the waste bag is a cable holder.

## Two abrasive/tool drawers

The perfect space for Abrasive packages or smaller tools.

## Deeper drawer

A deeper drawer that suits large Polarshine bottles, for example.

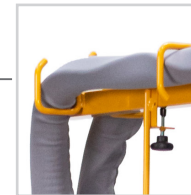

## Lockable swivelling castors

Excellent mobility even over grates. All four swivelling castors can be locked for secure positioning and preventing the cart from rolling away.

## New hose arm with holders

The new practical hose holder picks up hoses from the floor, making work safer. The hose arm is developed to fit two 27mm dust hoses and one 20mm hose.

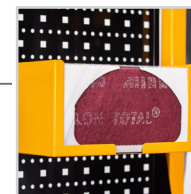

## Machine holders

Secure and safe storage and resting position for 2-3 sanders, so that the workplace is logically organised.

## Mirlon Total tray

A Mirlon Total holder for making pads easily available.

## Hooks for gadgets

Place tapes or other equipment on the hooks.

## Spraygun & aerosol can holders

Holders for the spraygun and two aerosol cans.
